# Baca Cuisine Critics

## Aunt Julie's Country Kitchen

1208 N IH 35

512-246-1144

The Cuisine Critics hopped on over to Aunt Julie's Country Kitchen for lunch. The critics gave middle of the road ratings for the quality of the meal and the meal being a good value for the money. They received high marks for cleanliness, staff knowledge of the menu and courtesy of the staff. They did have a few recommendations, such as a senior portion with senior affordable prices. They also recommended a healthier selection at the salad bar and better lighting. The menus are very large and somewhat cumbersome to handle although the idea of putting them on a piece of wood is unique. The restaurant is open daily from 11 am-9 pm. The restaurant is large and can accommodate large groups.

### Cuisine Critics Cookbook

The Critics are compiling a cookbook with various recipes from members. If you have recipes that you are willing to share, please drop them off at the Baca Center by the end of August. Make sure appropriate credit is given for each recipe..
